C. Minimum Term of Participation, Termination and Term for Reapplication

1. Each *covered entity* agrees to remain in AHRP for a period of not less than three (3) years, beginning on the date upon which the Coverage Terms first became effective. A *covered entity* may terminate its membership in AHRP at any time after such three-year period has expired upon giving 90 days prior written notice of termination of participation and providing the effective

date of cancellation. Once participation in AHRP is terminated, the *covered entity* cannot re-apply for coverage for a period of three years from the date of withdrawal and must conform to the underwriting criteria that is currently in place at the time of re-application. 1. Make inspections and site visits at any time;
2. Give *you* reports on the conditions *we* find; and
3. Recommend changes and impose additional coverage conditions in accordance with the applicable section(s) of the covered entity's operating agreement.

Any inspections, site visits, reports or recommendations relate only to *our* providing *you* with *coverage* and the premiums to be charged. *We* do not undertake to perform the duty of any person or organization to provide for the health or safety of workers or the public. *We* do not warrant that conditions are safe or healthful, or comply with laws, regulations, codes or standards.

G. Premiums

The *covered entity* shown in the Information Pages:

2. Will be the payee for any return premiums *we* pay.

We compute all premiums for this *coverage agreement* in accordance with *our* rules, rates, rating plans, premiums and minimum premiums in effect at the time the *coverage agreement* is issued. At the close of each *coverage period we*

have the right to recompute the premiums. This may produce an additional or return premium. The *covered entity* must keep and provide to *us* the records *we* need for premium computation at each anniversary. On each renewal, continuation or anniversary of the effective date of this *coverage agreement*, *we* will compute the premium in accordance with our rates and rules then in effect.

J. Duties in the Event of Occurrence, Claim, Suit or Loss

1. *You* must see to it that *we* are notified as soon as the facts are known to *you* (but in no event more than 30 days thereafter) of an *occurrence*, accident or an incident which may result in a claim or *suit*, or which has resulted in a loss of *your* property. To the extent possible, notice should be made on the AHRP "Notice of Claim or Incident Form" and include:

- a. How, when and where the *occurrence*, accident or incident took place;

2. If a *claim* is made or *suit* is brought against any *covered party*, *you* must:

- a. Immediately record the specifics of the claim or *suit* and the date received; and
- b. Notify *us* as soon as the facts are known to *you*.

You must see to it that *we* receive written notice of the claim or *suit* as soon as possible following *your* receipt of such documents, so that *our* right to investigate the claim and appoint counsel is not jeopardized.

3. *You* and any other *covered party* must:

- a. Immediately send *us* copies of any demands, notices, summonses or legal papers received in connection with the claim or *suit*;
- b. Authorize *us* to obtain records, property samples, property inventories and other necessary information;
- c. Cooperate with *us* in the investigation, settlement or defense of the claim or *suit*;

- e. Submit to examinations under oath upon *our* request and give *us* a signed statement of *your*

answers and a description of the loss; and

- f. Resume all or part of the *covered entity's* operations as quickly as possible.

6. *You must* take reasonable steps to protect *your* property or any evidence and save it for *our* examination.
7. *You must* provide a sworn statement of loss on *your* damaged property claim within sixty (60) days of *our* request and one hundred twenty (120) days following notice of a Crime claim.

K. Legal Action Against Us

No person or organization has a right under this *coverage agreement*:

1. To join *us* as a party or otherwise bring *us* into a *suit* asking for damages from a *covered party*; or
2. To sue *us* on any *coverage* part unless all terms and conditions of this *coverage agreement* and the operating agreement currently in effect have been fully complied with.

A person or organization may sue *us* to recover on an agreed settlement or on a final judgment against a *covered party* obtained after an actual trial; but *we* will not be liable for damages that are not payable under the terms of this *coverage agreement* or that are in excess of the applicable limit of liability or that are not permitted under the operating agreement with the *covered entity*. An

agreed settlement means a settlement and release of liability signed by *us*, the *covered party* and the claimant or the claimant's legal representative.

L. Other Coverage

If collectible coverage is available to the covered party for a loss *we* cover, *our* obligations are limited as follows:

1. Primary Coverage

This *coverage agreement* is primary except when item 2. below applies. When this *coverage agreement* is primary, *our* obligations are not affected unless there is other self-insurance/insurance which is also primary. Then, *we* will share loss payments with that self-insurance/insurance by the method described in item 3. below.

2. Excess Coverage

This coverage is excess and shall not contribute to claims or *suits* where the *covered party* is named as an additional insured by agreement making such coverage primary coverage in accordance with an endorsement to the other party's insurance policy. This provision is applicable to all insurance:

- a. That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for *your* work, or is for covered locations rented to *you*;
- b. That is Commercial General Liability (or equivalent coverage) available to *you* as a Named Insured or Insured (including additional insured);
- c. That is coverage for non-owned automobiles and owned trailers attached to non-owned automobiles.

When this *coverage agreement* is excess, *we* will pay only *our* share of the amount of the loss, if any, that exceeds the sum of:

- a. The total amount that all other self-insurance/insurance would pay for the loss in the absence of this coverage agreement; and
- b. The total of all deductible and retained amounts under all other self-insurance/insurance in the absence of this *coverage agreement*.

We will share the remaining loss, if any, with any self-insurance/insurance that is not described in this Excess coverage provision and was not bought specifically to apply in excess of the limits shown in the *Information Pages* of this *coverage agreement*. Our obligation shall not exceed the limits of liability shown on the *Information Pages*.

3. Method of Sharing

If all self-insurance/insurance permits contribution by equal shares, *we* will follow this method also. Under this approach, each insurer/self-insurer and *we* contribute equal amounts until each has paid its applicable limit or none of the loss remains, whichever comes first.

If any self-insurance/insurance does not permit contribution by equal shares, *we* will contribute by limits. Under this method, each insurer's/self-insurer's share and *our* share is based on the ratio of the applicable limit for each insurer/self-insurer and *us* to the total applicable limits available from all insurers/self-insurers and *us*.

M. Separation of Covered Parties

Except with respect to the limits of liability and any rights or duties specifically assigned in the *coverage agreement* to the member authority, the General Liability *coverage part* applies separately to each *covered party* against whom claim is made or suit is brought.

N. Transfer of Rights of Recovery Against Others to Us

If the *covered party* has rights to recover all or part of any payment *we* have made under this *coverage agreement*, those rights are transferred to *us*. The *covered party* must do nothing after loss to impair them. At our request, the *covered party* will bring suit or transfer those rights to *us* and help *us* enforce them.

O. Arbitration

If an irreconcilable difference of opinion should arise concerning the coverage or exclusions contained in this *coverage agreement*, the difference shall be resolved by submission of the issue to arbitration.

Any decision to invoke this arbitration provision shall be made in writing to *us* within sixty (60) days after notification to the *covered entity* of the decision that is in dispute. Failure to do so shall constitute an acceptance by the member of *our* decision, which is binding on the *covered entity* and is conclusive and not rebuttable.

The arbitrators shall be executive directors of AHRP *covered entities* that are not directly related to the issues in dispute.

For purposes of this Arbitration provision, matters involving an amount in dispute of \$25,000 or less shall be considered a minor claim. Those involving an amount in excess of

\$25,000 shall be considered a major claim.

A minor claim shall be submitted to a single Arbitrator agreed upon by *you* and *us*. In the event the parties cannot agree upon an Arbitrator, one shall be chosen by lot. In the event of a major claim *you* shall select one Arbitrator, *we* shall select one Arbitrator and the two Arbitrators shall select a third. In the event the two Arbitrators cannot agree the third shall be chosen by lot.

Arbitration proceedings under this *coverage agreement* may be consolidated with other arbitration proceedings or disputes concerning other *covered entities* if the disputes arise out of the same factual situation or involve the same *coverage agreement* provisions. Consolidation will be by order of the Arbitrator(s) or by request of the Arbitrator(s) or by request of *us* if the Arbitrator(s) conclude that the disputes should be consolidated. Arbitrator(s) for such consolidated proceedings shall be chosen by lot from among the Arbitrator(s) chosen for the individual proceedings.

Discovery proceedings of the type provided by the laws of the state in which the arbitration is held may be permitted at the discretion of the Arbitrator (s). Each party shall be given the same rights to discovery. Any disputes relating to such discovery shall be resolved by the Arbitrator(s).

For both minor and major claims, the Arbitrator(s) shall receive written statements from *you* and *us* outlining the facts. Procedures for the conduct of the arbitration will be established at the sole discretion of the Arbitrator(s) and shall be in accordance with all applicable laws of the state in which the proceedings are conducted.

Any award, order or judgment of a majority of the Arbitrators (or the single Arbitrator for a minor claim) shall be deemed final and will be binding upon both *you* and *us*, and may be entered and enforced in any state or federal court of competent jurisdiction. Each party agrees to submit to the jurisdiction of any such court for purposes of the enforcement of any such award, order or judgment.

All arbitrations shall occur within the state in which the *covered entity(ies)* involved in the controversy is/are located. If the member authorities are located in two or more states, the arbitration will occur in the vicinity of Portland, Oregon.

Each party will be responsible for the costs of preparing and presenting its case. All costs of the Arbitration including expenses of the Arbitrators shall be paid equally by *you* and *us*. No compensation will be paid to the Arbitrators or their employing authorities.

The Arbitrator(s) shall not render a decision which is in violation of any law or public policy.

P. Mistake in Description

The coverage afforded by this *coverage agreement* shall not be invalidated or otherwise affected by any error or mistake in the descriptions of *covered locations* or other items mentioned in this *coverage agreement*, unless such error or mistake materially prejudices *your* or *our* interests.

This coverage is for *your* benefit only. It provides no rights or benefits to any other person or organization.

U. Records

You must keep records of all covered property so *we* can verify the amount of any loss.

V. Recoveries

1. Any recoveries, less the cost of obtaining them, made after settlement of

a covered loss will be distributed as follows:

- a. To *you*, until *you* are reimbursed for any covered loss that *you* sustain that exceeds the limit of liability and any applicable deductible;
- b. Then to *us*, until *we* are reimbursed for the settlement made;
- c. Then to *you*, until *you* are reimbursed for that part of the loss equal to the Deductible and any uncovered loss, if any.

2. Recoveries do not include any amounts received from insurance, suretyship, reinsurance, security or indemnity taken for *our* benefit, or original securities after duplicates of them have been issued.

W. Transfer of Ownership

Any property that *we* pay for or replace becomes *our* property. *We* reserve the right to retain any property as salvage that *we* pay for and is actually replaced.

X. Limit of Liability

Our total limit of liability is limited to *our* cash, investments and tangible assets (including reinsurance and excess insurance recoveries).

5. Personal property, other than *automobiles* and their *contents*, of the *covered entity's* officials and *employees* while on the premises of the *covered entity*, provided values do not exceed \$250 per *employee* and are substantiated following a reported loss.
6. Subject to Excluded Cause of Loss 6, the cost to replace or restore valuable papers and records, which means assembled information relating to the *covered entity's* operations and is contained in written, printed, or otherwise inscribed documents or as electronic data, and for which duplicates do not exist. C. Additional Coverages

1. Towed and Mobile Equipment

This *coverage part* covers loss or damage to the *covered entity's* towed and mobile equipment resulting from a covered peril for the *actual cash value* reported to us. A *covered entity's* towed and mobile equipment shall include equipment, spare and repair parts and accessories. Coverage is extended to include borrowed or rented or newly purchased equipment up to the lesser of \$50,000 per loss or *actual cash value*.

This coverage does not include:

- a. Loss of use or consequential loss of any kind;
- b. Loss or damage to property while waterborne except while in transit by public carriers for hire;
- c. Loss or damage resulting from unauthorized use;
- d. Loss or damage to property which the *covered entity* has loaned, rented, hired or leased to others; or
- e. Unexplained or mysterious disappearance or shortage disclosed upon taking inventory.

2. Rental Income Coverage

This *coverage part* covers loss of rents sustained by the *covered entity* if the premises listed on the current schedule become untenable because of damage

to or destruction of the premises resulting from a covered peril.

The actual amount of Rental Income coverage for which we are liable is the verified reduction of rental income from dwelling units directly affected by the damage to or destruction of the *covered premises*, reduced by charges and expenses which do not continue during the period of untenantability. The period of untenantability commences on the date of damage or destruction of the premises and continues for only such length of time as would be required, with the exercise of due diligence, to repair, rebuild or replace such parts of the premises which have been damaged or destroyed. Any subsequent vacancy due to rental market conditions or other circumstances will not be included in calculating rental income losses.

Our maximum rental income loss for the partial or total destruction of a covered property shall be that amount listed for such property on the current "Schedule/Rental Income" form.

a. Period of Recovery

The period of time for which loss may be claimed shall not exceed the period of time required, with the exercise of due diligence and dispatch, to rebuild, repair, or replace the part of the property destroyed, or damaged. The period of time, in case of disagreement, shall be determined by arbitration in the manner set forth in the General Conditions.

This period of time is limited by the date of expiration stated in the *Information Pages* unless this Rental Income coverage is renewed at that time. The period of time for which loss may be claimed shall not include any increase in repair time due to interference at the *covered entity's* premises by strikers or other unauthorized persons with

rebuilding, repairing or replacing the property, or with the resumption or continuation of business, or with the reoccupancy of the premises; nor for any loss occurring to property in transit off premises.

This coverage does not cover loss of rents with respect to any period during which the *covered entity's* property could not have been rented had no fire or other peril covered herein occurred.

b. Interruption by Civil or Military Authority

This coverage is extended to include the loss sustained during a period of time (not exceeding two weeks) when, as a direct result of a covered peril, access to buildings and personal property is prohibited by order of civil or military authority.

c. Ingress/Egress

This coverage is extended to include loss sustained during the period of time (not exceeding two weeks), when as a direct result of a covered peril, reasonable ingress to or egress from the *covered entity's* premises is thereby prevented.

d. Non-Owned Adjacent Property

This coverage is extended to include loss (not exceeding two weeks) resulting from physical damage to non-owned adjacent property which renders the *covered entity's* property untenantable. All deductibles are waived for this provision.

3. Fire Department Charges and Extinguishing Expenses

If *covered property* is destroyed or damaged by a covered peril, this *coverage part* shall cover any fire

department charges and other fire extinguishing expenses for which the *covered entity* may be assessed. This does not include the cost to recharge or replace a fire extinguishing system.

This *coverage* applies to fire department charges that are assessed upon a “per response” basis, not any annual assessment.

4. Demolition and Increased Cost of Construction

In the event a covered loss is affected by any law or ordinance which regulates the demolition, construction or repair of damaged units or common areas, *we* shall be liable for:

- a. The cost of demolishing the undamaged building, required by such regulations, including the cost of clearing the site;
- b. The increased cost of repair or reconstruction of the damaged units or common areas of the building on the same site, limited to the minimum requirements of any law or ordinance regulating the repair or reconstruction of the damaged property with like material, quality, size and style and for like occupancy and use on the same property. *We* shall not be liable, however, for any increased cost of construction, unless the damaged unit(s) is/are actually rebuilt or replaced; nor shall *we* be responsible for the cost of betterments not required by law or ordinance. *We* shall not be responsible for additional costs attributable to providing additional required parking spaces or for services not previously provided at the covered location.

- c. Our total liability for the entire property loss shall not exceed 125% of the reported value of the damaged building(s). In a multi-building development, *our* liability extends to 125% of the reported value of each of the buildings in the development. If a *covered entity* is alerted that a location’s value appears inadequate, then the *covered entity* must increase its agreed value, produce a valuation report justifying the reported value or accept no more than 100% of the reported value in coverage.

5. Expediting Expense

This *coverage part* covers the reasonable extra cost of temporary repair and of expediting the repair of damaged property covered hereunder, including overtime and express freight or other rapid means of transportation, where such is necessary and approved in writing by us. This *coverage part* covers the extra expenses associated with the loss to a *covered entity’s* administration office and temporary costs, such as housing, furnishings, data and phone systems, relocation and storage of materials, up to a limit of \$100,000 per covered event.

6. Consequential Loss

This *coverage part* covers consequential loss to *covered property* suffered by the *covered entity*. Consequential loss as referred to in this *coverage part* means loss caused by change of temperature or humidity within a covered location caused by interruption of power, heat, air conditioning, or refrigeration as a result of damage to property covered hereunder or property of others in the care, custody or control of the *covered entity*.

- a. *You* failed to comply with the terms and conditions of this coverage Section; or
- b. *Your mortgagee* starts foreclosure or similar actions of the subject building.

If we make loss payments to your mortgagee when *you* fail to comply with the terms and conditions of this *coverage part*, *you* must reimburse us to the extent we paid your mortgagee. Your mortgagee will still have the right to receive the balance of the mortgage debt from *you*.

We also have the right to take over your mortgage after making loss payment to the mortgagee. If we do, *you* will pay the balance of your mortgage debt to us.

If *you* fail to pay your premium, we may request it from your mortgagee. Your mortgagee must notify us of any change in ownership of a covered property known to the mortgagee.

If we cancel this *coverage part*, we will give the mortgagee, endorsed herein, the same notice of cancellation we will give *you*.

2. Control of Property

Any act or neglect of any person, other than *you*, beyond your direction or control will not affect this *coverage part*.

We shall only be obligated to pay up to the limit of liability less the applicable deductible, under the appropriate valuation basis as described in this *coverage part*.

7. Valuation of Property

You shall provide accurate replacement values for all *covered property* or agree with *us* on an agreed value for all such property. These values as applied to

multi-unit properties, shall be based upon a per unit *replacement cost*.

In case of loss, the basis of adjustment shall be as of the time and place of loss or damage as follows:

- a. On buildings, machinery, equipment, furniture, fixtures, improvements, and betterments: *replacement cost*. In the event of loss or damage to improvements and betterments, *we* agree to accept and consider the *covered entity* as the sole and unconditional owner, except where *we* have issued a proper mortgagee endorsement.

On historic structures, which are any buildings deemed by the *covered entity* to be historic structures and reported to us as such, or which have been or could be so declared by any federal, state or local agency having the authority to make such a declaration, shall be valued on the basis of an "agreed value" between the *covered entity* and *us* and must be included in the schedule of covered properties. If buildings or personal property are not actually repaired or replaced within twelve months of the date of loss, and no extension of time has been agreed to in writing by *us*, then the basis of valuation reverts to *actual cash value* (ascertained with proper deduction for depreciation). Any previous overpayment by us will be refunded by the *covered entity*.

8. Vacancy

- a. As used in this vacancy condition, the term building and the term vacant have the means set forth in a.(1-3) below:

With respect to a building that has been vacant for a period of more than ninety (90) consecutive days, the amount *we* will pay will be the lesser of the cost to repair the building or the actual cash value of the building. If a building has been vacant for a period of 90 consecutive days or less the valuation will be subject to the valuation condition set forth in paragraph 7 above.

B. Defense and Settlement

1. *We* have the right, but not the duty, to investigate and/or defend any claim or *suit* seeking damages within paragraph A above. If *we* defend, *we* have the exclusive right to select defense counsel.
2. *We have* the right to settle any claim or *suit*. *We* are not obligated to obtain the *covered party's* consent, but will endeavor to obtain such consent or agreement.
3. *We have* the discretion to defend a claim or *suit* for which no liability coverage is afforded if *we* determine that provision of a defense or payment of *defense costs* may avoid a legal precedent that may have a materially adverse effect upon *us* or *our* members in other circumstances or proceedings. *Our* discretion shall be absolute and unconditional and shall not be subject to any requirement of reasonableness or fairness whatsoever.

4. The amount *we* will pay on behalf of the covered entity for such injury and *damage*, including judgments, settlements and *defense costs*, is subject to the limit of liability set forth in the *Information Pages*. *Defense costs* are part of and not in addition to the limit of liability.

5. *Our obligations* under this *coverage part* end when *we* have used up the limit of liability in the payment of judgments, settlements or *defense costs* (or any combination thereof) under coverages A, B, or C. This applies to both claims and *suits* pending at that time and those filed thereafter.

6. If a general liability deductible is maintained by a *covered entity* it will be indicated by endorsement issued to the *covered entity*.

C. Limit of Liability

1. *Our* total limit of liability for loss resulting from any one *occurrence* or any one *personal injury* offense or any one act or failure to act resulting in *tenant discrimination* will not exceed the limit of liability specified in the *Information Pages*. This will be true regardless of the number of:
 - a. *Covered parties*,
 - b. *Coverage parts* involved in the loss,
 - c. Claims made and *suits* brought for any *occurrence*, *personal injury* offense, or act or failure to act resulting in *tenant discrimination*; and
 - d. *Persons* or organizations making claims or bringing *suits*.
2. In determining our limit of liability, all injury, damages, loss and defense costs arising out of continuous or repeated

exposure to substantially the same general harmful conditions will be considered as arising out of one *occurrence*, offense or act, and commencing on the date of the first such exposure.

3. The Aggregate Limit is the most we will pay for damages caused by all *occurrences*, *offenses*, or covered acts during any single *coverage period*.
